

Emergency Information

Current Situation:

Henderson County Emergency Management is working closely with the Henderson County Department of Public Health to plan for impacts from cases of COVID-19 (coronavirus) in our community. For additional guidance visit the Department of Public Health's [COVID-19 webpage](#). [1]

Emergency Operations Center

The Henderson County EOC is open from 8AM-4:30PM. For emergencies call 911, for routine non-medical requests contact our office at 828-697-4728.

Citizens should also tune to local and regional radio and television stations for up to the minute emergency information from the Henderson County Emergency Operations Center.
